

SUB-BID REQUESTED FOR

TACOMA, WA

CENTRAL WASTEWATER TREATMENT PLANT HIGH PURITY OXYGEN GENERATION SYS
IMPRVMNTS

BID DATE 01/24/2012

BID DUE BY 11:00 AM

PEASE & SONS, INC.

Project Description: Installation of City procured air compressors, air compressor cooling water systems and ambient air oxygen vaporizers in the City's Central WWTP Oxygen Generation Facility. The project also involves improvements to the Oxygen Facility HVAC system, installation of electrical power to support the new equipment, process piping to connect the new equipment to the City's existing oxygen generators including testing and commissioning of the new equipment.

Estimated value: \$1.1 million - \$1.2 million

Contract duration: 300 calendar days

This project is subject to WA State L&I Prevailing Wage Rates. Certified payroll will be required.

This project contains a City of Tacoma HUB goal of 7%. While Pease & Sons accepts quotes from ALL subcontractors and suppliers, we would like to extend a special invitation to those certified City of Tacoma HUB subcontractors and suppliers.

SPECIAL NOTE TO EXCAVATION SUPPORT SUBS: Please reference spec section 316329, Drilled Concrete Shafts, for information regarding your firm's scope of work.

Complete plans, specs & addenda for this project are available via the City of Tacoma's Purchasing website as follows:
